**Alexis Granwell: Navigating the Ecstasy**

*Runs through Feb. 10, Tower Gallery, 969 N. Second St., 215-253-9874*

In exploring highly emotional moments, Granwell abstractly maps human psychology through drawing, printmaking and installation. Although the connection to psychology may sometimes be elusive, Granwell's works achieve their own aesthetic worth. They resemble graphs, diagrams and cells — the stuff of textbooks — somehow taken apart and altered into things beautiful (pictured).
